

## CONTENT WRITER with Science / Technology background (Full Time)

**\*\*Immediate Employment\*\***

### Purpose of the position

The content writer position is responsible **for writing technical reports and conducting desk research**. AcrossLimits engages in a multitude of projects which require a variety of backgrounds including engineering, science, medicine and technology. We are looking for someone who is methodical and can also express themselves well in the written medium.

The vacancy is on full-time basis and applicants must be willing to travel to Europe when required.

### Responsibilities, duties & accountabilities

- Ability to understand each project's technical requirements and targets
- Performing desk research for deep understanding of the target science / technology sectors
- Writing documents, materials and reports in **English and Maltese**
- Liaising with the project development team for implementation
- Responsible for providing status updates to Managers

### Skills Needed for this Job

- Excellent written and oral communication in **English and Maltese** (other languages an asset)
- Research Methods and Statistics
- Report writing
- Ability to work independently and as part of a team
- Ability to work under strict deadlines
- Motivated & persistent
- Excellent time management
- Proficient in Microsoft Office or Google Suite

### Experience in the following would be considered an asset

Publishing academic papers / journals

Prior experience in European/international projects.

### Location

Will work from AcrossLimits' office in Naxxar and remotely from own premises as necessary. Travel around Europe will occasionally be required.

### Salary

Employment will be on an indefinite contract. Remuneration will be between €20,000 and €22,000 per annum excluding government bonuses, depending on experience.

**If you think you have what it takes, send us a motivation letter explaining why you are the best person for this job and attach your CV on [jobs@acrosslimits.com](mailto:jobs@acrosslimits.com)**

**CLOSING DATE OF APPLICATIONS: 30th September 2020**

 AcrossLimits Ltd, Hilltop Gardens, Triq L-Inkwina, Naxxar NXR 2641, MALTA
